EYFS Newsletter - Autumn Term 1 2021

Road Safety and Bikeability

We began our school year by learning about crossing the road safely and riding our bikes effectively. We carefully crossed the road by following these simple steps: STOP, LOOK, LISTEN, THINK (Is it safe to cross?), hold hands and WALK. We also learnt to manoeuvre our bikes, glide and ride them. Our local PCSOs came to talk to us about staying safe around roads as well as giving us some reflectors so we are prepared for the darker days to come.

Harvest

In RE, we have been learning about Harvest. We talked about different fruits that are harvested from all around the world, we enjoyed trying a variety of them. We also looked closer to school to see the different fruits that are growing in the hedgerows. To finish our harvest unit and link it to our English story, the Little Red Hen, we made bread by mixing, kneading, proving, baking and eating bread rolls.

Bag Blessing

On our first visit to St Wilfrid's Church, we were lucky enough to take our school bags. During the service, Rev'd McConkey blessed our school book bags and wished us a successful school life at Ribchester St Wilfrid's.

Explore and Learn Time

During our independent learning, we have been busy building our friendships, our communication skills, teamwork, imagination, knowledge and skills and problem solving.

Autumn Walk

To finish our first half term, we went on an Autumnal walk. We observed the different fruit and vegetables growing in the local allotments, we noticed the changes in leaf colour and discussed the different types of weather. We enjoyed catching falling leaves, hunting for conkers, splashing in puddles and counting the rings on the cut down ash tree!
