## Calder Newsletter - Autumn 1

### Road Safety and Bikeability

We started the year by learning to cross the road safely and riding our bikes effectively. We learnt to carefully cross the road by following the simple steps of STOP, LOOK, LISTEN, THINK (Is it safe to cross?), hold hands and WALK. We also learnt to manoeuvre our bikes, glide and ride them.

### Harvest

In RE, we have been learning about Harvest. We took a walk in our local area to see the different fruits that are growing in the hedgerows. We have been looking at the story, the Little Red Hen in English so linked it with our RE by making bread. We mixed, kneaded, proved, baked and ate our bread rolls.

### Life Education

We had a visit from Harold the Giraffe to learn all about keeping our body safe.

### Drawing

In Art, we have been learning all about lines. We have experimented with a variety of medias to draw a range of lines. We have used our line knowledge to find patterns and textures and then extend the lines further.

## Autumn Week

To start our Autumn week, we went on an Autumnal walk. We observed the different fruits and vegetables grown in the local allotments. We noticed the changes in leaf colour and discussed the different types of weather.

We also expanded our cooking skills by learning to chop using the bridging method to allow us to make pumpkin soup as well as perfecting the rubbing method to make apple crumble.

## Explore and Learn Time

During our independent learning, we have been busy building our friendships, our communication skills, teamwork, imagination, knowledge and skills and problem solving.

To find out more about what we have been up to, why not look on our school website (<https://www.ribchester-st-wilfrids.lancs.sch.uk/>) or Facebook page (Ribchester St Wilfrid's C of E Primary School).
