WELCOME TO RIBBLE CLASS.

CURRICULUM

- Curriculum for this term – Romans (see curriculum overview on class dojo).
- Two year cycle which includes both year 3 and 4 objectives.

CLASS DOJO

- We are still using our home learning platform, class dojo, as a way to communicate between school and home. It worked really effectively during the Lockdown period and so we are continuing with it this school year also.
- Class dojo can be used to share information via the message section or you can send photos or work through your child's class dojo portfolio.
- Sometimes homework may be set through class dojo but I will always let the children know when I have done this.
