School Uniform from September 2017

Dear Parents,

The Governing Body, in response to several parents' queries, have made a final decision about the colours permitted for school uniform as of September 2017.

As you are aware, at present, there is a mixture of red and blue for polo shirts and girl's summer dresses. The decision has been made to have one consistent colour for the school. As the majority of children in school wear red polo shirts and girls wear red gingham dresses, this is the colour that has been opted for. We believe that having a unified uniform allows our school to look smart and contributes to a feeling of belonging.

Below are the full details of required uniform for both school and P.E.:
