

Welcome to our latest newsletter. This term we have welcomed Miss Booth to our school. Miss Booth is a student at Edge Hill University and will be working in Wyre class till the end of term.

Please note there will be delivery of a Portakabin to the Village Hall sometime tomorrow, therefore we have been asked to let everyone know not to park by the railings next to the River Bank, or generally along Church Street, after 9am and before 3pm. An exact time hasn't been given for the delivery but they are expected to avoid the start and end of the school day.

### **Calder Class Assembly with Stay and Play**

Parents and grandparents of children in Calder class are invited to watch the children present their sharing assembly on Friday 7<sup>th</sup> February. Those attending are also welcome to join us in Calder class after the assembly up to playtime.

### **SchoolMoney**

An email has been sent out to let parents who have downloaded the Teachers2Parents App know they will begin to notice additional functionality for SchoolMoney within their service. No further updates are required to enable SchoolMoney functionality, the user will simply notice the changes when they next login or download the app for the first time. A help page with general FAQs is available in the app under 'Help' in the menu drop down.

As we are in the winter months please can all the children have suitable coats, hats and gloves in school for going outside at playtime.

### **Cold / Extreme Weather**

It is the policy of the school to make every effort to remain open whenever possible. In event of bad weather, parents should check whether the school is open before travelling to school. We will endeavour to inform you of any school closures by 8:30am in the following ways:

- Text / email on your Teachers2Parents account
- On the school website (see above for address)
- On the following radio stations:
  - BBC Radio Lancashire 95.2FM,103.9FM,104.5FM
  - Rock FM 97.4FM
