

# Williamsons Park – Lancaster

Williamson Park, Quernmore Road, Lancaster, LA1 1UX

Williamsons Park is located in the lovely town of Lancaster.

There are lots of beautiful pathways to navigate yourself around the 54 acres of land.

It has a special code post hunt. If you go into the shop and buy a map of Williamson's park it will show you where all the posts are hidden and you will have great fun trying to find the hidden letters which are spread far and wide.

A big thank you to Katrina Harkin from St Michael & St John's RC Primary School, Clitheroe, for this contribution.
